On 3.8.2017, DIVA (Dealer in Imported Motor Vehicles Association)
acknowledged that jpcenter.ru & carvx.jp are reliable.

These 2 sites clearly prove: 1/ mileage; 2/ whether car was accident or not; and 3/ that many cars which
have been registered as new in Mauritius are in fact used cars. Accident cars worth Rs 175,000 have been sold
for over Rs 525,000. There may be over 8,000 severely accident cars. Buyers have lost over Rs 2 Billion.

Salim Auto, the only company that denounced importation of accident cars.
